

Hidden Jewel on the Jurassic Coast

Smedmore House is a very special, exclusive Dorset manor house for Weddings and Civil Ceremonies.

Hidden away in the Dorset countryside, among rolling hills with sweeping views to the sea, the timeless beauty and friendly atmosphere of Smedmore House help create an unbelievably romantic, magical and memorable occasion.

Bespoke ceremonies

Smedmore is licensed for Civil Ceremonies. These can take place either in one of 5 elegant rooms inside the house (up to 60 guests) or outside in the Walled Garden (unlimited guests). Since Summer 2021 it has also been possible for couples to legally marry in the avenue with its views to the sea or anywhere else in the grounds.

The lawn at the front of the house makes an excellent marquee site with the backdrop of the Georgian house, with hills on one side and the sea on the other. The Walled Garden at the side of the house offers a delightfully sheltered spot for your drinks reception among the many exotic plants.

Small weddings are a speciality and there are many different options available when planning your special day at Smedmore House.
